Public Notice No. 15-032-M

Date: March 06, 2015

NOTICE OF PROPOSED MODIFICATION OF A
STATE LAND APPLICATION SYSTEM PERMIT

The South Carolina Department of Health and Environmental Control (DHEC) proposes to modify the State Land Application System Permit (commonly called a No Discharge or ND Permit) #ND0070963, issued to OWENS CORNING/AIKEN PLANT, (AIKEN COUNTY/AIKEN EQC OFFICE) 2648 WAGENER RD, AIKEN, SC 29801. The facility is located at 2648 Wagener Road, Aiken, South Carolina, Aiken County. The Standard Industrial Classification (SIC) Code for the facility is 3229. Groundwater will be monitored at 10 monitoring wells.

The proposed modifications are as follows:

1. Cover Page: Five (5) acres has been added to the land application site at 206 Redd's Branch Rd Borrow Area.
2. Part II.L.5.a: The local DHEC Office information has been updated.
3. Part III.A: The following changes have been made to this section:
 - a. Monitoring requirements have been included in Part III.A.2 for an additional groundwater monitoring well, beginning upon installation of the new well;
 - b. A table has been included in Part III.A.3 addressing Groundwater Monitoring Sampling Periods and Reporting Deadlines; and
 - c. The previous Part III.A.2, 3 and 4 groundwater monitoring conditions have been replaced with more recent permit conditions in Part III.A.4, 5 6 and 7.
4. Part III.B.2 and 3: The sludge monitoring condition in Part III.B.2 has been updated to more recent permit language. Part III.B.3 has also been added to match more recent permit requirements.
5. Part III.C: The soil monitoring requirements have been updated to more recent soil monitoring requirements. Specific soil monitoring conditions have also been added to address soil monitoring at fields 13 and 14.
6. Part IV.A: Schedules have been added to the permit to address submission of a nutrient management plan, a groundwater monitoring plan and additional groundwater well information.
7. Part V.A: The groundwater requirements in this section have been removed as sampling and reporting deadlines are now included in the updated Part III.A.3. A reference to Part III.A has been included in this section; and
8. Part V.B: Requirements in Part V.B.1-5 and 7 have been updated to more recent requirements for land application of Class B industrial sludge. The five (5) acres at 206 Redd's Branch Rd Borrow Area has been added to the table of approved land application sites.
9. The page numbers have changed.

Persons wishing to comment on or object to the permit modifications are invited to submit same in writing within thirty (30) days of the date of this notice to the attention of: Ms. Melanie Townley; SC DHEC; Water Facilities Permitting Division; 2600 Bull Street, Columbia, South Carolina 29201; Telephone: 803-898-4223. The permit number should be placed at the top of the first page of comments. When there is a significant degree of public interest in a permit or group of permits, the Department may hold a public hearing. SC DHEC is not involved in zoning, land use, or property value issues. Please contact your local County or Municipal officials for questions or concerns on these issues.

All comments received within the 30-day period will be considered in the formulation of final determinations regarding the permit. All persons submitting written comments will be notified of the final determinations. Requests for adjudicatory hearings may be filed after the above described determinations have been made. Additional information regarding adjudicatory hearings is available from the Legal Office at the above Department address or by calling 803-898-3350.

Additional information on proposed permit determinations and on hearing procedures is available by writing or calling the Department at the above address or telephone number. Copies of a specific application or draft permit of interest to an individual, organization, or company must be requested in writing. A fee schedule has been established for processing these requests: Reproduction of documents - \$0.25 per page. Requests must be mailed to the Freedom of Information Office at 2600 Bull Street, Columbia, SC 29201, phone number: 803-898-3882; or requests may be faxed to the Freedom of Information Office at 803-898-3816. Arrangements can be made to review all the permit information at the Freedom of Information Office on the third floor of the Sims Building across from Peebles Auditorium.

Please bring the foregoing to the attention of persons you know will be interested in this matter.
